

Loving Child 5

When our prophet moved from  
Makkah to Medina everyone came out to greet him.  
The children wore their best clothes and sang,  
"The moon has shone upon us."  
Our prophet came to the children and asked,  
"Do you love me?"  
The children said, "We all love you very much Prophet."  
And the Prophet replied, "I love you all too."  
My dear prophet, full of love,  
we, the children, love you more.  
We greet you...  
Allahumma Salli Ala Sayyidina Muhammed.

Come on let's walk together.  
Let's turn the pages.  
Why should we keep on smiling?  
Let us paint and learn.

**Dear Mothers and Fathers,**

Our children are the greatest treasure entrusted to us.

Our dream is to see that our children have the most beautiful manners.

The "Rose House Coloring Book Series" has focused on the behavior of our children and aimed to gain discipline in them.

This method of teaching these behaviors to preschool children by using coloring and activities is fun and efficient.

In order to use this set efficiently, we should follow the instructions. Parents should guide their children. Every page should be examined carefully.

According to the behaviors mentioned in these pages, parents should exchange ideas with their child.

If we focus on these issues throughout each day, we can encourage display of the desired behavior.

We recommend that parents color the books with their child in order and one by one. Let us color, think, and apply...

Translated by Bulent Belbez

When we hear our prophet's name, that is when we say Prophet Muhammed or hear his name, we should pray for him, "Sallallahu Alayhi Wassalam". We can also make "Salawat" for him by saying: "Allahumma Salli Ala Muhammed."

Can you color the prayer beads while saying "Salawat"?  
Can you count the number of roses?  
Do you want to make a string of prayer beads with your mother?

Our prophet was modest.  
He used to love anyone, poor or rich.  
He would invite all to his table.

Have you ever invited your friends for a meal?  
Do you have guests coming to your house?  
Can you name the foods being shared at this meal?

When we arrive somewhere or meet someone, we need to greet them.  
The first to greet should say, "Assalamu Alaykum", and  
the other should reply, "Wa Alaykum Salam."

How do you greet your friends?  
Do you greet your mother when you arrive home?  
Do you answer your father's greeting when you open the door for him?

Bees make tasty honey to us to eat.  
Our prophet said, "Honey is a cure."

What color is honey?  
Would you like to drink a cup of milk and honey with your mother?  
Have you ever seen a honeycomb?

We should offer something for our friends who come to visit us.  
We should be smiling when we make the offer.

What do you think Elif is offering to her friend?  
What do you want to be in the glass?  
What kind of cake is on the plate, chocolate or fruity?

The people around our prophet entrusted their valuables to him.  
He was a highly trusted person.

Do you know what entrust means?  
What is your most valuable thing?  
To whom do you entrust your valuables?

Our prophet liked to exchange gifts.  
Ali wants to be like him, so he bought a nice gift for his friend.

For whom do you want to buy a gift?  
What would you like to come as a gift for you?

Our prophet used to spend his time doing good things.  
He used to sleep early and get up early.

When do you sleep at night?  
Can you label the clock?  
How many roses are there on the clock?  
Can you count and color them?

A family full of love, Ali with his father  
and Elif with her mother, are having fun.  
Our prophet loved children a lot.  
He used to hug and kiss them.  
Sometimes he put his grandchildren Hasan and Huseyin on his shoulders.

Which games do you play with your mother and father?  
Do you want to color this page?

Our prophet used to smell like a rose.  
My rose home smells like a rose.

Would you like to color your rose house?  
Who do you think lives in this house?

## Rose Path Puzzle

## THE MOON SHONE UPON US

The moon shone upon us  
From the hills of farewell  
We needed grace  
From Allah's invitation

You are the sun, you are the moon  
You are the light upon light  
You are the Sureyya light  
Oh Dear, Oh Prophet

Oh the chosen prophet from us  
You came with a great invitation  
You gave honor to this city  
Oh Dear, Welcome

Oh Prophet, we promised you  
We do not divert from the true path  
Oh you, the star  
We are full of your love

# ACTIVITY PAGE

## Colorful Roses

Let us color the roses.  
Let us decorate our rooms with them.
